LOCAL MISCELLANY.

The 21st of Duffield's. On Thursday last we enjoyed the pleasure of attending the laying of the corner-stone of the High School, at Duffield Depot. The day, although rather warm, was more pleasant than it had been for several days previous, the shower on Wednesday evening having laid the dust and purified the atmosphere. At an early hour delegations from the different Orders of the neighboring towns, and citizens of this and adjoining counties began to come in from every direction, and by 10 or 11 o'clock an immense crowd of persons of all ages had assembled at the depot, and in the grove adjoining. At about 11 o'clock the procession was formed under the direction of Chief Marshal, Capt. Joseph T. Hens, and headed by Capt. DeLany's Cornet Band, of Spargburg, Md., moved to the foundation of the school building, near the Presbyterian church, where the corner-stone was laid according to the ancient rights of Masonry, by District Deputy Grand Master, A. Mason Evans, assisted by Elk Branch Lodge, No. 93, and visiting brethren from sister Lodges. The following articles were deposited in the corner-stone:—

- 1. Name of donor of the lot, John Snyder, Sr.
2. List of subscribers to the building.
3. List of lady managers who gave the dinner in aid of the building.
4. The names of the Marshals of the Day.
5. The Program of the Day.
6. The Orators of the Day.
7. The Newspapers of Jefferson county, W. Va.

8. The Farmers' Repository, published by Richard Williams, at Charlestown, in 1813.
9. Half-cent Coin, U. S. A., 1802.
10. "Comma to the Young," in Greek, by Inocentus.
11. Two Odes of Horace.
12. The Roll of Officers and Members of Phoenix Division, Sons of Temperance.
13. The Roll of Officers and Members of Elk Branch Lodge, A. F. & M., who laid the corner-stone.

14. Five Confederate Notes, \$185.
15. New Testament of our Lord and Savior, Jesus Christ.

At the conclusion of these ceremonies the procession was again formed, and took up the line of march for the grove of Mr. Garland Hurst, near by, where a stand and seats had been arranged for the speaking, and dinner prepared for the large number present. Arriving at the grove the procession was disbanded, and in a few minutes dinner was announced, when the hungry crowd quickly procured tickets and took their stations at the table, to partake of the bounteous repast spread before them.

A little before 2 o'clock the assemblage was again called to order, and after a brief and appropriate prayer by the Rev. Charles White, of Berryville, was addressed in an eloquent and forcible manner by Judge David White, of Berryville, Mr. J. K. D. Douglas, of Hagerstown, and Mr. W. W. Lowrey, of Jefferson, each of whom was listened to with the most profound attention with the exception of a few persons leaving the ground under apprehension of an approaching storm. At the conclusion of the addresses the assemblage was dismissed, and as a heavy shower seemed imminent, the majority took their departure for their homes. We regret that we could not remain to the supper and Tableau, but understand that they were a perfect success in every particular.

The Rev. John A. Scott and the managing ladies, will accept our thanks for courtesies extended us on the occasion.

CATTLE KILLED ON THE RAILROAD.—Two very valuable Durham cattle, belonging to Col. Robt. W. Baylor, of this county, were thrown from the track and killed by the morning mail train on the Winchester branch of the B. & O. Railroad, on Wednesday last. The Col. has addressed a communication to President Garrett, setting forth that the cattle were wantonly and maliciously killed, and the proper signal not having been given in time, and the train running in full sight of his crossing for a full mile, and asking payment for his loss. These facts the Col. offers to substantiate by a number of the most reliable witnesses. The slaughter of cattle in this county within the past year or two, by the railroad trains, has been considerable, and it is highly important to the interests of our citizens living on the line of this thoroughfare, that some measures should be instituted for their protection. We trust that President Garrett will give his attention to this matter, and afford our people a remedy for the evil.

THE M. E. SABATH SCHOOL PICNIC.—We are requested by the Sabbath School of the M. E. Church, of this place to announce that all the members of that Church in this circuit, with their children, as well as any others who may wish to participate, are invited to join them in their picnic on Thursday next, the 28th instant. The picnic will be held in the woods of Andrew E. Kennedy, Esq., on the Berryville turnpike, about three-fourths of a mile from Charlestown. Remember the Basket.

A GOOD YIELD.—One of the finest yields in the early potato crop that we have heard of, have been produced by Mr. John Hilbert, of this place. Mr. H. planted 16 lbs. of Early Rose and Goodrich potatoes, and produced therefrom 975 lbs. or 1 peck, and raised 163 bushels. We have examined these potatoes, and can say that they are the finest lot we have ever seen, the majority large and well matured; there being but few small ones among them. Who can beat it? Mr. H. will accept our thanks for a nice mess.

NEW MARKET POLYTECHNIC INSTITUTE.—We acknowledge the receipt of the pamphlet circular of the above school, a promising institution of learning, located at New Market, Shephard county, Va.

THE TOURNAMENT AT LEETOWN.—According to the announcement made in our last issue, the tournament at Leetown came off on Saturday last. We were not present ourselves, but by the kindness of a friend learn the following particulars:—

About 10 o'clock the Knights were formed in line, and a brief and pertinent charge delivered to them by Dr. Thos. H. Buck, Marshal of the Day, after which the tilting commenced. The following Knights entered the lists:—

- George Hogue—Knight of the Lone Star.
Snowden Watson—Knight of Leetown.
R. J. Lewis—Knight of Toledo.
George Watson—Knight of Willow Grove.
Philip Lewis—Knight of Shoo Fly.
John Criswell—Knight of Rippon.
Chas. Watson—Knight of Long March.
Chas. Johns—Knight of Devon Valley.
John Hinton—Knight of Monticello.

A. Legg—Disinterested Knight.
N. Wilson—Knight of Jefferson.
Lace—Knight of the Burning Vessel.
George Henson—Knight of 11th Hour.
W. Stewart—Knight of Wild Warrior.

After the riding was concluded, Mr. A. Legg, the Disinterested Knight, was declared the first successful Knight, and crowned as Queen of Love and Beauty, Miss Ginnie Stewart, of Berkeley.

Mr. George Watson, Knight of Willow Grove, selected as First Maid of Honor, Miss Mary Rice, of Berkeley.
Mr. Philip Lewis, Knight of Shoo Fly, chose as Second Maid of Honor, Miss Mollie Locke, of Berkeley.

Mr. Snowden Watson, Knight of Leetown, crowned as Third Maid of Honor, Miss M. Burns, of Berkeley.

We understand that everything passed off in the most pleasant and agreeable manner, and all present enjoyed themselves to the fullest extent.

RE-UNION OF THE POTOMAC RIFLES.—According to the notice heretofore given, the surviving members of the old "Potomac Rifles" held a reunion and picnic near Shepherdstown on Saturday week. About 100 o'clock having formed in front of the Court-House, under command of Capt. Lewis Lucas, the company was addressed by Judge Thomas Van Swearingen, in a few brief and appropriate remarks, the following members being present:—

- Lewis Lucas,
T. Van Swearingen,
William Rishitine,
Dr. R. P. Magruder,
Joseph Williams,
Geo. W. Nichols,
P. A. Baile,
David Bilymer,
Wm. G. Butler,
David Connor,
James V. Moore,
Dr. R. A. Lucas,
John A. Keyser,
C. A. Keyser.

After the address was concluded, the "Rifles," together with surviving members of Harper's Artillery Company, and invited citizens of Shepherdstown formed in procession, and under the inspiring music of Greenwood's file, and Sheets' drum, took up the line of march for Morgan's Spring, where they enjoyed a plentiful repast furnished in the old barbeque style.

During the afternoon a business meeting was held by the Rifles, and a number of resolutions adopted, among which it was Resolved, That the members of this Company meet annually, hereafter, at Morgan's Spring, as a social gathering and reunion, and that the first Saturday in September, 1871, be the next meeting.

RAILROAD ACCIDENT.—On Thursday last the mail train bound West, on the B. & O. R. R., when about a mile below Duffield Depot, struck and seriously, if not fatally, injured Mr. Martin Ott, of Harper's Ferry who was on the track at the time. It seems that Mr. Ott was working on a culvert at that point, and when the train was very near him, he was on the bank a few feet from the road, and was seen to come down to the track when the engine struck him before the train could be stopped. He states that he did not hear the cars coming. The train was immediately stopped and Mr. Ott taken on board and brought to Duffield Depot, where he was carried to the house of Mr. George Hagely, and his wounds dressed by Dr. W. F. Alexander. An ugly gash was found in his forehead, and it was feared that he had suffered internal injuries.

P. S.—Mr. Ott lingered in intense agony until 11 o'clock Thursday night, when death put an end to his sufferings. His remains were taken to his home in Belvoir, for interment, on Friday. He was a highly respected, industrious citizen, both a Free Mason and an Odd Fellow, and leaves a sick wife, with six children, to mourn his fate. He was aged about 54 years.

DEATH OF A PROMINENT CITIZEN.—Death has again been in our midst, and robbed our community of one of its most prominent and estimable citizens. On Friday night last, after a long and painful illness, THOMAS RUTHERFORD, Esq., departed this life. Mr. R. had ever been one of our most public spirited and energetic citizens, a kind and genial gentleman, and one whose many kind acts and charities, especially during the late unhappy war, will prove a lasting monument to his memory. In his death the community has lost a valued citizen, his circle of acquaintances a warm friend, and his family a loving husband and father.

NEW PAVEMENT.—Capt. John J. Lock has just had a new and substantial pavement laid at the old Spirit Building corner. It certainly gratifies us to see these old eyes removed, for we are of the opinion that there is nothing that renders a place of the size of Charlestown more disagreeable, than bad pavements—with pools of muddy water, and loose brick that make admirable squirt-guns in rainy weather. Who will be the next to move in this matter?

REFRESHING.—The gentleman who, on Saturday last, became a little "how come you so," and then made his bed on the ground under our office window in the full blaze of old sol, must have enjoyed a delightful snooze. Moral.—Be sure of your bed first, and indulge afterwards.

Fresh Eggs and Yellow Butter can always be had. Read the advertisement "Greatest Work of the Age" in this paper.

The Masonic Fraternity of Frederick and the surrounding counties will participate in the affair, and Hon. W. H. Travers, of this place, has been selected to deliver an address. A collection will be spread, of which the assemblage will partake "without money and without price."

EXECUTION OF JEREMIAH RICHMOND, Va. July 22.—To-day about one o'clock, P. M., James Jeter Phillips, convicted of the murder of his wife, executed his felonious crime upon the scaffold, a confinement of three years, one month and eight days, during which he has had twice reprieves. Phillips has made a confession that he took his wife on Sunday, February 17, 1867, walked her four miles from the city, and then walked her about the woods until she died, and then fled to his home. He then fled on her, and fled to his home, and she commenced screaming, and he fled and struggling, which he ended by leaning her and struggling her. He returned to Richmond and stayed there until at last.

Under-takers grow wiser and grave yards teem with the moldering bones of thousands who prematurely fall as victims to those relentless destroyers, Catarrh, Bronchitis and Consumption. The two latter diseases are but the children of the former, which is easily and surely cured by using Dr. Sage's Catarrh Remedy, while for the cure of the two latter diseases nothing equals Dr. Pierce's Alt. On the following Monday the Judge delivered his decision, denying the application for bail and remanding the prisoner to jail.

HUMOROUS.

Literal Answers.

A lady noticed a boy sprinkling salt on the sidewalk to take off the ice, and remarked to a friend, pointing to the salt:

"Now, that's benevolence."
"No it ain't," said the boy, somewhat indignant, "it's salt."

"So when a lady asked her servant girl if the hired man cleaned off the snow with alacrity, she replied:

"No, ma'am; he used a shovel."
The literal turn of mind which we have been illustrating is sometimes used intentionally and perhaps a little maliciously and thus becomes the property of wit instead of blunders.

There was another boy accosted by an acetec middle-aged lady with:

"Well, sir," said the gentleman, after waiting awhile, "where is it?"
"I have not the least idea, yer honor," said the archon.
