If there ever was such a thing as a total revolution in public sentiment in a single year, we think the change in the New York Legislature, from a Van Buren majority of eighty-two, to a Whig majority of sixty-two, must afford a tolerably fair sample of such a revolution...

Grand celebrations in honor of the great Whig victory in New York are taking place in the different cities and towns throughout the United States.

INDIAN CRUELITIES. Ross Cox, in his adventures on the Columbia River, gives the following description of the tortures inflicted on one of the Blackfoot tribe of Indians, by the Flatheads, by whom he was made a prisoner.
