NATURALIZATION FRAUDS IN PHILA-

DELPHIA. plicated may be ascertained and punished. By reside five years in the United States before he of naturalization and to preserve regularity and system, it has been usual for many years, says the Philadelphia Inquirer, in the offices connected with the County Court, to have large books or records, containing from 500 to 1000 printed certificates of declaration, with places for the names, the dates of birth, the time of arrival in the United States, the country of natifity, &c. in blank. Any one wishing to declare his intention of becoming naturalized would make outh or affirmation and sign the same in the book thus described; and this record could be turned to. two years afterwards, to establish the right of the laimant to a full certificate of naturalization. With regard to the present matter of investi-

ation, the Inquirer says-The allegation is, that upwards of 60 sheets of Missour declarations have been fraudulently introduced Missour into one Declaration book; that Naturalization Arkanes into one Declaration book; /that Naturalization Ackansa
papers have been fraudalently obtained on such
Georgia
declarations, and that individuals have voted on / Indiana which the false papers. The Clerk of the Court in Kentucky which the false papers have been discovered. Michigan Mr. Encu, Jr., has recained Counsel, and is endeavoring to discover the authors of this infamous fraud. The American Sentinel states that
the book containing decigrations, was freely
loaned to both political committees, and thus,
the gentlemen comprising those committees will
also feel bound to greet themselves to the atmost
Alabama also feel bound to exest themselves to the utmost to ferret out the true sources for this inquiry.— Vermont It may be observed that in addition to the first fraud, those who voted on such papers commisted perjury, as every one naturalized under such circumstances, must have taken out that he had declared his intention two years before, while a civizen must also under oath, have vouched for the residence of the others, for five twenty in the United States. It is clearly there is taken to the fore, that there has been gross fraud and wilful perjury/somewhere/ and on a wholesale scale/ perjury/somewhere, and on a wholesale scale/

In the court of Quarter Sessions on the 20th inst the names of sixty-two individuals were reported, and on motion of W. B. REED, Pag. a pers purporting to be declarations of intentiony should not be cancelled. Judge BARTON stated that he had discovered his name forged to 18 petitions, and that thus far the authors had not been detected. He urged the Grand Jyry to Congress by the Van Buren party, died at his proceed vigilantly and rigidly with the investi gation, and then continued the rule which had

THE MILLINGTON BANK .- The Van Buparty are endeavoring to create political tal out of the explosion of the Millington nk, a fraudulent concern which, like the Adsistration with its Treasury "shinplasters," as been flooding the country with its irredeem es. They assert that it was a Whig ink, gotten up purposely to defraud the "Deocrais," &c. Now, this is false. We have to may be over the subject, and have learn. heir political sentiments were made known onged to the Administration party. Still nlike our opponents, we shall not attempt to old a whole party responsible for the acts of few private individuals of that party, of whom and of whose reclitical opinions not one in a usand knew anything about until their rascalbecame known. But, is not this Millington ney a "part and parcel" of the "better cufreney" promised the people by this and the preeding Administration?

ELECTION FRAUDS. The Van Buren party, detected in their olesale frauds at the late election in Philalohia, have since been attempting to prove the Whigs were guilty of similar a cts in Baltimore at the recent election, and in the city of New-York as far back at 1838. But this at erones, will prove "no go." Indeed, in New York, it has already proved so; for the very ndividual (a Mr. Glentworth) upon whose prelended say-so the charge was based, has come ut with a statement, sworned and subscribed o, in which he states, that although "he has een applied to by Benjamin F. Butler, U. S. District Attorney, Jesse Hoyt, Collector of the ustoms, and other public officers, to make ements that should implicate Gor. Seward nd the leading friends of the Governor in New ork, in a charge of having countenanced uds at the election in New York city in the year 1838," and although he was offered large as of money, as bribes to make said stateents, yet he resisted all importunities and resected all proffers of money for so base a purose, and that he is in possession of no eviard or any other member of the Whig party, hom it had been alleged his testimony would iminate. And thus have the conspirators of is base proceeding been caught in their own rap-thus has this infamous plot of the office-TO THE PARTY OF TH

retchedly managed—the mine was sprung too -and the result must be an injury to that ause which it was designed to promote. That france are proceed at the polic or these argo cities, we have no doubt; but for the Van uren party to charge them all to the Whigs nd claim entire exemption themselves, is gong a little farther than we had supposed impu lence could be found to go. .--

AN HONEST MAN AND A PATRIOT. We give below an extract from a letter of nistee of Naschez. Gov. Runnels has been a nain pillar of the Van Buren party in Mississipii. In truth, it seems as if the very pillars of Van Burenism are crumbling every where.

Gov. RUNNELS says: "I am, and ever shall be, a democrat; and when those who profess the doctrines of democracy carry them out in good faith, I will be found acting with them, and not till then. I have no political views to subserve, but will, regardless of the source from which they emanate, contribute to oppose those measures that I think are calculated to njure my country, and to advocate such s/I/ conceive are calculated to sustain our free institutions, and spread peace, osperity and happiness thro the land ...
"The financial concerns of the country e in so deplorable a condition that a change cannot be for the worse. I am learly/of opinion that the doctrices of an exclusive gold and silver curtency are calculated to produce a scene of bank-cuptoy and ruis never before withersed in our devoted country.

I have heretofore been an adedcate the 'exclusive State Bank system,' but am now fully convinced that, in consesence of local influences and local caues, neither the Government nor the cople can prosper without the aid of a lational Bank. Such a bank can and will, as it has done heretofore, give a urrency preferable to a metallic curreny-alone. I am not an advocate for inonvertible bank paper, but for such a ne as will better subserve all commerial purposes, and which can, at the will f the holders; be converted into gold or

The re-eligibility of the President, ther his corporeal or mental vigor or elasticity. we believe has done much to promote In speaking of the private character of these evils. He has pursued a policy Gen. Harrison, he observes: which is designed to strengthen a party, and open the way to his re-election—
From that policy no good has resulted to the country. Our Agricultural, Manuson, he observes:

Of his justice and benevolence no question will be made among those who have enjoyed the pleasure of knowing his social qualities. There are the death of the widow, with interval the death of the widow, with interval the death of the widow, with interval the proof of the widow, with interval the pleasure of knowing his social qualities.

The has partly of \$5.5,576 13 cents, to there to being turned out of employment. There were death, and the pleasure of knowing his social qualities of the widow, with his threat of being turned out of employment. There were death, and th been encouraged, our currency has not been improved, nor have we received any of those blessings that emanate from a wise and virtuous Government. Value any of those blessings that emanate from a wise and virtuous Government. Yet to this policy the President has committed this policy the benefit of the policy the president has committed the benefit of the policy the president has committed the benefit of the policy the president has committed the benefit of the policy the president has committed the benefit of the policy the president has committed the policy the president has committed the policy that the policy the president has committed the policy that the policy the president has committed and appears to be only happy in endeating the property of the president has committed and appears to be only happy in endeating the property of the president has committed and appears to be only happy in endeating the property of the president has committed and appears to be only happy in endeating the property of the president has committed and appears to be only happy in endeating the property of the president has committed and appears to be only happy in endeating the property of the president has committed and appears to be only happy in endeating the property of the president has committed and appears to be only happy in endeating the property of the president has committed and appears to be only happy in endeating the property of the president has conducted and appears to be only happy in endeating the property of the president has conducted and appears to be only happy in endeating the property of t himself:—he is bound by his party obligations to pursue it, if re-elected, and consequently, the present condition of impartial records and, as I have no claim to pertiate things will be continued. This is a strong culiar information in that matter, I shall not affort your intelligence by dwelling upon the inable an objection which the immortal Wash.

It is front your intelligence by dwelling upon the inable and objection which the immortal Wash. ington saw, and which he only laid aside at the earnest entreaties of the people.-

at the earnest entreaties of the people.—
When the President has a hope before him of being elected a second (time, be can bring into exercise every power of his office for the purpose of strengthening that hope. Hence, his legitimate duties when have been the first accountable to the first existing that hope is the first existing the first exist existing the first exist e principle of 'one term' into practice?— of Mr. Winans coincides with that of There is much to recommend it, and it every unprejudiced observer who has had

certainly can do no harm. It removes many bad influences from around the President; it limits his power, and confines his thoughts and feelings to their proper sphere; it destroys party animosities, and, in the language of Gen. Jackson, "leaves the Chief Magistrate uncommitted to any other course than the strict line of Constitutional duty." Something of the kind is badly wanted at the present time, and when carried into effect, the principle will be found at once safe and beneficial. To whom then shall it be entrusted? To those who have trifled with us, violated their promises, and forgotten HARRISON better known to his countrytheir obligations to the people? No ; it, is time to turn away from these men and to seek more faithful guardians of the public weal. The nation points to Wit-LIAM HENRY HARRISON ; he is pledged to serve but one term, and his past conduct gives us every reason to believe, that his pledge will be fulfilled. / An opportunity, then, is before the honest por Jackson, and which is now believed to be
