

CHARLESTOWN: THURSDAY MORNING, August 19, 1847.

The People's Candidate for President. GEN. ZACHARY TAYLOR.

THE DELAY OF THE ARMY. Attributable to the Administration.

The delay of Gen. Scott's army in marching to the city of Mexico, has been attributed by many to Secretary Marcy, and that too with some show of reason. It is incredible that Gen. Scott himself would willingly delay entering the city of Mexico, after obtaining so decisive a victory as he had at Cerro Gordo.

"POLITICAL JESUITRY."

The Richmond Enquirer has at length acknowledged, through its columns, the receipt of a letter by us, stating the principles of Gen. Taylor to be in accordance with those of the Whig party.

For months past the Loco-foco press of the country has been crowded with denials of the Whig faith of Gen. Taylor. They have seized with avidity upon the slightest shred, upon which to build some hope, and hold out some faint idea, that Gen. Taylor was not only not a Whig but a decided Democrat.

The Secretary of the Treasury is at Rockaway, and the Secretary of State at Old Point. A wag says they have thus divided, with the design that the result of their labors may, in a great degree, determine the constitutional question whether improvements by the General Government shall be confined exclusively to "salt water" and in no way extend to fresh!

THE "NO-PARTY CANDIDATE." The Brooklyn (N. Y.) Star says it is hardly worth the time or trouble for the party presses to contend any longer about the political sentiments of Gen. Taylor.

THE WASHINGTON JOURNAL OF THE 29th ult., in publishing the Southern news, accidentally gave place to the following:—"Gen. Taylor is still at Walnut Springs, quietly awaiting the arrival of those reinforcements as yet promised and always delayed."

TO ENJOY THE HEALTHFUL INFLUENCES OF SEA-BATHING, and the good things prepared by those skillful caterers for public taste, Messrs. Kirkwood and Keller.

THE ANNIVERSARY BALL was also a very splendid and gratifying entertainment to the elegant and agreeable party who attended it. We never saw dancing conducted with better taste, and with better spirit.

GRAND TEMPERANCE PROCESSION

Thursday last was celebrated by St. Thomas Division, No. 7, Sons of Temperance, as their Second Anniversary, in which they were joined by Brethren of Divisions from Winchester, Frederick City, Md., Martinsburg, Elk Branch, Charlestown and Shepherdstown.

At an early hour in the day the Procession was placed in line under Bro. John G. Wilson as Chief Marshal, and Bro. W. S. Elgin and Bro. John Briscoe, as Assistants, in the following order: Good Samaritan Division, No. 24—Winchester, Jefferson Temple of Honor, No. 3—Harpers-Ferry.

Several beautiful and striking banners were carried in the procession at suitable points. The banner of Good Samaritan Division is a beautiful emblem of the order, prepared in Baltimore by Mrs. Sisco, and of very special description: On a white ground is painted a sketch of a Temperance Hall—two Sons of Temperance on one side of the picture, having in charge a drunken man, with a bottle in his hand, whom they are endeavoring to persuade into the Hall.

The following services were observed in the Church: 1. Hymn by the Choir. 2. Prayer by the Rev. Nelson Head. 3. Hymn by the Choir. 4. An Address by THOMAS M. GALLY, Esq.

THE BROOKLYN (N. Y.) STAR says it is hardly worth the time or trouble for the party presses to contend any longer about the political sentiments of Gen. Taylor. He will be the people's candidate, let the parties call as many Whig or Loco-Foco conventions as they please.

THE GREAT CIVILIAN.

The Hon. HENRY CLAY passed through Charlestown in the Winchester Cars, on Friday morning last, on his way to Cape May. Mr. Clay was met at the cars by a large throng of our citizens—although the number would have been more than quadrupled if there had been any certainty with regard to his passing—and introduced by J. S. GALLAHER, Esq., to the many enthusiastic spirits who had met to have a glance and a grasp of the hand of the noble and gallant, the great and the magnanimous CLAY.

As the cars moved off there was one long loud cheer for the retired civilian, who, before and beyond all others, they would soonest see occupying the Presidential chair.

Many of our democratic friends were present, who testified their respect and their admiration of the eminent ability of the Sage of Ashland, by joining with right hearty good will in the passing cheer, the shout of joy.

General Thomas H. Benton passed through Harpers-Ferry on Friday last on his way to Washington. Mr. Clay arrived the same day by the Winchester Cars. They both took the same car to Baltimore. A friend writing to us says, "we gave 'Old Harry' three hearty cheers, I tell you—but the Locos let Benton pass by in silence!"

THE NEW YORK CORRESPONDENT OF THE National Intelligencer gives a list of one thousand arrivals at some twenty of the principal Hotels in that city, whilst speaking of the large number of visitors at this season of the year.

THE NEW ORLEANS PICAYUNE, in speaking of the prospect of a speedy peace, says: "In Mexico every thing was at sixes and sevens: Congress has referred Mr. Buchanan's letter back to the Executive, and thrown upon him all the responsibilities of the war."

THE COMMERCIAL COMMUNITY are looking for further news from Europe with much interest, there being now two steamers due from Europe. The French Mail steamer Missouri, from France, with dates to the 31st ult. and the British steamer Cambria, from Liverpool, to the 4th inst.

THE WILL OF MR. O'CONNELL has just been proved in the Prerogative Court. The personal property is sworn to be under £25,000, and he has, among other bequests, left £1000 to Mr. Ray, the Secretary to the Repeal Association.

THE NEWLY ELECTED SCHOOL COMMISSIONERS of Jefferson met on Monday evening last, at the residence of Mr. G. D. Moore, George Eichelberger, John Humphreys and H. N. Gallaher.

TENNESSEE.—The Nashville Whig brings us returns from 29 counties in that State. The net Whig gain in these counties in the vote for Governor, as compared with that cast in 1845, is 1360 vote, whilst Gov. Brown's majority in the whole State two years ago was only 1341.

Whereupon the report of the committee was received and adopted, and the individuals named declared duly elected. A committee, consisting of the following persons, was appointed to settle with the Treasurer, Wm. Grantham, G. D. Moore, George Eichelberger, John Humphreys and H. N. Gallaher.

Latest from Mexico.

The news from Mexico published last week, stating that Gen. Scott was in Mexico, was erroneous, as Gen. Scott was still at Puebla on the 30th July, but the probability was that he would immediately march on the City of Mexico.

Mr. Kendall, in his letter to the Picayune, represents the chances of peace as unfavorable. He says that Gen. Scott would march on the city of Mexico immediately on the arrival of Gen. Price with the force under his command.

The English Legation was secretly exerting every influence to keep the Americans out of the Capital.

The Commercial Times considers the reported failure of Mr. Taylor's mission as fully confirmed, and that all prospects of a speedy peace are now dissipated.

It was supposed that Santa Anna was sincerely desirous of patching up the differences between the two countries as the sole means of securing the grand object of his life, the dictatorship of Mexico.

On Friday, the 12th inst. only a few days illness, Mr. CHARLES CALDWELL, of the late John Chamblin, of London county, in the 19th year of his age.

The NEXT CONGRESS.—So far as elections have been held, the whigs have elected 110 members of the House, being within 4 of one-half the whole number.

DEVELOPMENT OF CRIME.—The Editor of the Eaton (Preston county) Democrat, in Ohio, who attended the trial of Reuben McKidd, in that place, five days since, in default of \$500 bail, was committed, says:

We attended the examination in the Court House, which was crowded to excess, and the startling disclosures there made, were enough to arouse the whole community.

Notices.—Rev. Mr. Atkinson's Protracted Meeting will be held in the Union Church, Smithfield, commencing on Saturday the 21st inst.

SHERIFF'S SALE.—WILL be sold, at Sheriff's Sale, to the highest bidder, for cash, at the residence of George Butler, near Shepherdstown.

TO THE FARMERS OF JEFFERSON & CLARKE.

THE undersigned, John Kable, Solomon H. Boliver and David Johnston, trading under the name and firm of Kable, Boliver & Johnston, having leased the NEW TOWN MILLS for a term of years, will offer fair inducements to the farmers generally,—in order to grind their wheat,—to purchase the same for cash. These Mills have been recently undergone a thorough repair,—such as new Bars, Bolting Cloths, &c., and our present facilities for grinding will enable us to manufacture thirty barrels of Flour per day. Families wishing a prime article of Family Flour can be supplied at all times on accommodating terms.

We hope, by strict attention to business and promptness in all matters, to merit a share of the public patronage. JOHN KABLE, SOLOMON BOLIVER, DAVID JOHNSTON. Kabletown, July 18, 1847—3m

A Chance to make a Fortune.

THE undersigned offers the stock of goods remaining on hand, of the late firm of Boteler and Johnson, at Berryville, Clarke county, Va., at private sale. The stock has been very considerably reduced since the dissolution, amounting now to about \$500. The daily retail sales continue to exceed the amount, which makes the inducement for those who wish to establish themselves in the mercantile business greater. The location is, without exception, the best in the lands of the County as the most fertile kind—the citizens out of debt; as an evidence of this fact, the Circuit Superior Court only one day.

A liberal credit will be given on the purchase money. I have been urged by many customers to relocate the stock and to sell at a low price, and the great distance which I live from Berryville, renders it totally impracticable for me to do so. I still continue to sell at cost, and may do articles below cost. Merchants in western Virginia can replenish their stock of goods, and can in the eastern market—as I am determined to make it as cheap as I can give a call.

Providence McCormick, of Berryville, is fully authorized to connect business connected with the concern—and in my absence will negotiate a sale of the goods. Letters addressed to either of us will meet with prompt attention. RICHARD JOHNSTON. Petersville, Frederick Co. Md. June 3, 1847
