A SHORT MEMORY.

In a late speech in Indiana, Governor Noble said that the people of that State were "short of memory." He meant that they had forgotten the lessons of the past. He said that the people of Indiana were "short of memory" because they had forgotten the lessons of the past. He said that the people of Indiana were "short of memory" because they had forgotten the lessons of the past. He said that the people of Indiana were "short of memory" because they had forgotten the lessons of the past.

PUBLIC SCHOOL NO. 19.

We had intended in our last issue to publish the report of the Teacher in School District No. 19. We have unfortunately been delayed in the publication of this report. OLD SOLDIERS' WIDOWS.

In answer to a query in the subject, we deem it proper to state that the National Intelligencer's report that the House of Representatives has passed a bill to provide for the relief of the widows of soldiers is correct. The bill is a measure of justice and equity. It is a measure of justice and equity. It is a measure of justice and equity.

THE CHOLERA.

It gives me great pleasure to say that the cholera epidemic which has been raging in the city of Washington has been brought under control. The epidemic has been brought under control. The epidemic has been brought under control. The epidemic has been brought under control.

EFFECTS OF BAD WRITING.

It is said there are, from time to time, in the land, letter writers who, in the pursuit of their calling, are guilty of bad writing. Bad writing is a common fault. Bad writing is a common fault. Bad writing is a common fault.
