Virginia Free Press. BY GALLAHER & CO. THURSDAY MORNING. JUNE 10, 1859.

TAUGHT A LESSON. The Louisville Journal says that "the Hon. Alexander R. Butler, who has been elected to Congress from the Eighth Virginia District has convinced that J. Faulkner of the folly of the shallow host he made when he declared that he had a right to the vote of every Democrat in the District."

It is barely certified, that at an election held on the twenty-sixth day of May, in the year one thousand eight hundred and fifty nine in the counties of Frederick, Clarke, Warren, Page, Loudoun, J. R. Brown, Berkeley, Morgan, and Hampshire, comprising the 8th Congressional District of Virginia, ALEXANDER R. BUTLER was duly elected to represent the same in the Congress of the United States.

RIGHT CONGRESSIONAL DISTRICT. Another Battle Fought.

The following was certified by the Sheriff on Friday last, who assembled in Winchester, for the purpose of counting the vote. We are indebted to James W. Campbell, Esq., our obliging High Sheriff, for this statement.

Table with 3 columns: Name, Votes, and Percentage. Includes names like Butler, Faulkner, and others.

With pleasure we yield to the request of the Editor of the Herald of Freedom, and publish the above. We most respectfully request the Editor to make a note of the fact that Faulkner's majority in Frederick County is 500 instead of from 200 to 500 claimed by the Virginia a few days before the election.

FOUR DAYS LATER FROM EUROPE. Another Battle Fought.

The Europa arrived at Halifax at 1 o'clock this A. M. The latest accounts from Italy say the Austrians had twice endeavored to retake Passau, but each time were repulsed after sanguinary encounters.

We regret exceedingly to learn that the Chief Superintendent of the Shenandoah and Ohio Road has thought proper to deprive the packet from the 20th of June, of its regular passenger service.

The election of Harpers Ferry led an illumination, and torch-light procession, on last Wednesday night we were in honor of the election of A. R. Butler, Esq., to Congress.

The opposition to the 8th District, receiving support from Y. J. Robinson in Frederick County, and from other sources, was very active.

The Shepherdstown Gazette says that the workmen are engaged in digging out the foundation for Mr. R. D. Shepherd's Town Hall, to be erected upon the old site.

All Fall plied Whigs of the glorious South. Every Whig feels in this whole land that he is a part of a great nation.

POLITICAL.

THE PRESIDENT. A few days ago...

THE BABY. Upon the eve of...

VAIETY.

When we married, Julia, you'll see how I'll drive you to the 'Castle' in a carriage.

A rural poet has just gotten up the following and retired to private life.

An old lady, complaining of the distress of her eyesight, was advised to wash her spectacles.

Attainment - The President has appointed the Hon. H. H. Hunt, of Virginia, to be Secretary of the Legation of the United States to the Argentine Confederation.

Kindness makes sunshine wherever it goes. It finds its way into the hidden chamber of the heart and brings forth treasures of gold.

The best definition we ever heard of cheating false witness against your neighbor, was given by a little girl in school.

Believe me, mothers, you have no right to expect that the sense of religion will be infused by the labors of teachers.

John asked Julia if she would have him. "No," said she, "I will not have you, but before John could recover from the shock she quickly replied, 'but you may die.'

This touch is twofold cutting backbiting Christians and also backbiting backbiters who bid mothers' sins the cause of their own.

Adieu, my dear friends, we have a long and a happy journey, which shall be a happy one in all respects.

Let us have a long and a happy journey, which shall be a happy one in all respects.
